WORD FROM THE DIRECTOR

WONNY SONG

Executive and
Artistic Director

Welcome to the 2022 edition of the Orford Music Festival! How delightful to see you again this summer.

This year highlights the work and inspiration of the great German composer Johannes Brahms (1833-1897). Did you know that Brahms was a central figure in the evolution of European music in the 19 century? Deeply rooted in tradition, but also surprisingly innovative, his music combines continuity and renewal.

Orford Music is driven by this same passion: to pass the torch from one generation to another while seeking out new and exciting interpretations. These will in turn feed the rich traditions of tomorrow.

As an outdoor enthusiast, hiker, and mountaineer, Brahms was greatly inspired by the forests and rural landscapes that surrounded him. It is our sincere wish, dear audience, that you find this same inspiration here with us, in the heart of the beautiful Orford Forest.

With great pleasure, I invite you into the timeless beauty of tradition, to find peace and comfort in the company of our great predecessors. You will also experience moments of discovery and wonder in the presence of the great contemporary talents of the Orford Music Festival 2022.

We are delighted to have you with us on this splendid stroll!

Enjoy the music,
